## **SECTION I – PARTIES TO THE AGREEMENT**

This Agreement is made the first day of June 2023 by and between The Utility Workers Union of America, Local No. 69, AFL-CIO, hereinafter called the “Union” and Hope Gas, Inc., hereinafter called the “Company”.

## **SECTION II - UNION RECOGNITION**

The Company recognizes the Union as the exclusive representative for the purpose of collective bargaining for rates of pay, hours of work, and other conditions of employment for the employees of the Company whose wage rates and classifications are set forth in this Agreement.

## **SECTION III - MANAGEMENT RIGHTS**

1. The Management of the Company and the direction of the working forces including the right to make rules and regulations, hire, discharge or suspend for just cause, promote, demote, transfer, relieve employees from duty because of lack of work or for other proper and legitimate reasons and to determine the work to be performed and the methods and equipment to be used by employees are recognized to be retained by the Company, except as otherwise limited by this Agreement.
2. While Management agrees to carry out its responsibilities in a manner consistent with the purpose and intent of this Agreement, the right of the Company to manage the business shall only be restricted by the explicit limitations set forth in this Agreement. The fact that some of the Company's rights to manage are set forth in this Section shall not be taken in any way to imply that the Company does not have all other rights of Management.
3. The Union recognizes that the selection of employees from the Bargaining Unit to replace Non-Bargaining Unit employees is a right of Management. Physical and clerical employees will not be required to accept work assignments outside of the Bargaining Unit.

## **SECTION IV – MEETINGS**

1. During the Union's annual Representative Council Meeting the Company will pay the wages of the Union Representative Council in attendance for one day. During this day, up to one half day will be used for the annual safety meeting.
2. Special meetings may be held by mutual agreement.
3. Travel time for designated Union members to attend meetings is Union/Management Business and will be subject to the provisions of Section XII, Article No. 9, Time Off for Union Business.

## **SECTION V - UNION SECURITY AND CHECKOFF**

1. Any regular employee covered by this Agreement who fails to acquire or maintain membership in good standing in the Union on or before January 1, 1983, or the completion of the probationary period of that employee, whichever is later, thereafter shall be required, as a condition of employment, to acquire and maintain membership in good standing in the Union or pay to the Union the service fees specified herein. For the purpose of this Section only, the probationary period shall be defined as the first 30 days after an employee attains

- employment status with the Company.
2. The term "good standing" shall, for the purpose of this Section, mean that the employee has not been delinquent in tendering the periodic dues and initiation fees uniformly required as a condition of acquiring or retaining membership in the Union.
  3. The service fees shall be the same amount and payable at the same time as the periodic dues and initiation fees uniformly required as a condition of acquiring or maintaining membership in the Union.
  4. The Company agrees to deduct Union membership dues and initiation fees from the pay of each employee who is a member of the Union and who has filed with the Company and with the Union a properly signed authorization for deduction. The Company further agrees to deduct service fees equal to said membership dues and initiation fees from the pay of each employee who has filed with the Company and with the Union a properly signed authorization for the deduction. The dues and initiation fees or service fees deducted by the Company shall be forwarded promptly to the Treasurer of the Union together with a statement of account.
  5. The dues checkoff authorization shall be made on a form satisfactory to the Company. The authorization is voluntary, and an employee may at any time discontinue the deduction of dues from his or her pay by proper notification.
  6. The Secretary of the Union shall notify the Company in writing of any change in the Union membership and the amount of membership dues to be deducted.
  7. Any authorization for deduction of Union dues which was proper and had been received by the Company or the Union prior to the effective date of this Agreement, shall continue to be considered a proper authorization for deduction of Union dues in accord with the terms of that authorization.
  8. Once each month, the Union will submit to the Company, in writing, a list of all active employees who have failed to tender the funds required in Paragraph 1 of this Section. The Company will notify those persons named and will discontinue employment of such persons who are not in compliance with the terms of this Section within 30 days after such notification, upon receipt of a certificate, properly notarized, from the Union of the following:
    - (a) That membership in the Union is available to such employee on the same terms and conditions generally applicable to other members, and
    - (b) That membership has not been denied to any such employee nor has the membership of any such employee been terminated for reasons other than his or her failure to tender the periodic dues and initiation fees uniformly required as a condition of acquiring or retaining membership in the Union.
  9. During the 30-day period referred to in Paragraph 8 above, the Company may counsel with any employee not in compliance with the Section and attempt to persuade the employee to so comply.
  10. In the event the Company discharges an employee solely for failure to tender the funds required in Paragraph 1 of this Section, the Union agrees to protect the Company and hold it harmless from any claim of such employee that their discharge was not justifiable.
  11. Each month, a list of bargaining unit employees will be furnished to the Secretary of the Union, the appropriate Region Directors and local Union Representatives.
  12. To the extent that any law prohibiting any provision of this Section becomes effective and enforceable in any State where Employees covered by this agreement are employed, the provisions of that law shall supersede the provisions of this Section for Employees employed in that State.

## **SECTION VI - CORRESPONDENCE**

1. All correspondence directed to the Union will be addressed to the Union President unless otherwise specified in this Agreement. If directed to the Company, it will be addressed to the labor relations representative designated by Hope Gas, Inc. matters. If directed to an employee, it will be addressed to the last address furnished by the employee to Human Resources.
2. All correspondence concerning disciplinary actions will be emailed to the Union President, Vice-President, appropriate Region Director and to the Union Secretary.
3. All correspondence required by Section XV, Changes in the Work Force, Article No. 1, Employee Selection, will be addressed to the Union Secretary.
4. All correspondence required by Section XV, Changes in the Work Force, Article No. 3, Reduction in the Work Force, Paragraph 1, will be emailed to the Union Executive Board to the addresses provided by the Union Secretary. For any Director that does not have an e-mail address, the Company will forward them a copy by regular mail.
5. The Company will email the Union Executive Board and for any Director that does not have an e-mail address by regular mail, answers, in writing, to annual tour questions within 40 calendar days after the Company has received the Union's written questions, unless otherwise agreed. The time limit on filing grievances that arise as a result of an answer to a tour question shall commence upon receipt of the answer by the Union President. Furthermore, while the grievance procedure may be used to resolve disputes over the interpretation of this Agreement that surface in the answers to tour questions, resolution of such grievances will not be retroactive. That is, if the occurrence giving rise to the tour question was/is not grieved in a timely fashion as specified in Section VII, Paragraph 3, then no adjustment will be made in that specific case as a result of a subsequently grieved answer to a tour question.
6. The Company will notify the Union Secretary via electronic mail the first week of each quarter with a list of any voluntary terminated employee/s from the previous quarter, including job classification and location.

## **SECTION VII - GRIEVANCE AND SETTLEMENT**

1. It is the policy of the Company to allow employees a reasonable opportunity to present to their Supervisors any request or complaint which they may have. However, it is agreed that not every such request or complaint constitutes a grievance.
2. A grievance is a dispute or claim involving the meaning, interpretation, or application of any of the provisions of this Agreement.
3. If a grievance is initiated, it must be submitted in writing within thirty (30) calendar days upon a mutually agreed upon form which shall state the nature of the occurrence including the date or dates of the alleged Agreement violation giving rise to the grievance, the Section or Sections of this Agreement on which the grievance is based, and the relief or remedy sought. The grievance form shall be dated and signed by the employee and/or the Union Representative and presented to the Labor Relations Department to be dated and signed. The grievance shall then be submitted to the first step of the grievance procedure. A grievance shall be initiated in accordance with the procedure above with the exception that it will be signed by a representative of Labor Relations and waived to the second step if agreed to by both parties.
4. Grievances shall be initiated as soon as practicable, but in no event later than thirty (30) calendar days. The time limit on a dismissal grievance shall commence upon notification in

writing to the Union President by the Company. The time limit on a grievance arising from any other cause shall commence on the date the cause of the grievance occurred. Grievances not so presented shall be deemed to have been abandoned and shall not be entitled to consideration.

5. At the first step of the grievance procedure the Union committee shall consist of the aggrieved employee, his/her Union Representative, his/her Region Director and one (1) other Union member appointed by the Union President. The Company's committee will consist of a representative of Labor Relations or his/her appointee, and other members of Management with the authority to resolve the grievance, as deemed necessary by the Company. (All authorized Union time will be paid at straight time only, no overtime, up to eight (8) hours per day.) The first step grievance meeting will be held within 40 calendar days unless otherwise agreed. Management's answer at the first step will be given within seven (7) calendar days of the date of this meeting, unless otherwise agreed. If Management's answer does not resolve the grievance at this step, the Union may appeal the case to the second step within seven (7) calendar days, unless otherwise agreed. Grievances arising from the selection of or the dismissal of an employee shall be given scheduling priority by the parties.
6. By January 4 of each calendar year quarterly meetings will be scheduled to hear second step grievances. Additional meetings can be scheduled, as needed, for the purpose of addressing outstanding second step grievances. At the second step of the grievance procedure the Union committee shall consist of the aggrieved employee, his/her Union Representative and no more than five (5) other Union Representatives/Designees. The Company's committee will consist of a representative of Labor Relations or his/her appointee, and no more than six (6) other Management Representatives. Management's answer at the second step will be given within ten (10) calendar days of the date of this meeting, unless otherwise agreed. If the grievance remains unresolved the Union Executive Board may submit the grievance to arbitration as provided for in Paragraph 11 below, unless otherwise agreed, or the grievance shall be considered withdrawn without precedence.
7. If either party fails to answer or appeal a grievance within the time limits set forth in Paragraph 6, provided there has been no mutually agreed extension, the grieving party may appeal the grievance to the next step. If a grievance is not scheduled within the time limits set forth above, provided there has been no mutually agreed extension: (a) if the Company is at fault the grievance will be settled upon the remedy requested without precedence, (b) if the Union is at fault the grievance will be dropped without precedence.
8. After a union eligible employee has filed a grievance, there shall be no discussion or adjustment of the case between the employee and his or her Supervisor without the Representative or Steward being present. Similarly, no discussion of the case shall take place between first level supervision and the local representative without the employee having the opportunity to be present.
9. Furthermore, when an employee's presence is required at a grievance meeting, permission to attend will be granted by the Supervisor, except in the case of an emergency. Both parties recognize that under certain workload conditions, meetings may necessarily be postponed.
10. Representatives of the employees may exercise the grievance procedure of the Agreement, regardless of whether or not a complaint has been filed by the affected party or parties. The only exceptions to this provision are those grievances arising out of selection. Such grievances shall only be allowed as provided for in Section XV, Article No. 1.
11. Should any grievance remain unresolved, unless mutually agreed, the Union Executive Board must provide written notice to the Company of its intent to arbitrate within forty-five (45) calendar days after the date the written second step answer is given to the Union. The notice must set forth the basis of the grievance, the provision or provisions of the Agreement

- which have allegedly been violated, the facts on which the claim rests and the remedy sought. The arbitration hearing shall be held as soon as practicable. Grievances arising from the selection of or the dismissal of an employee shall be given scheduling priority by the parties.
12. The parties shall appoint a panel of six (6) arbitrators to serve for a term of 24 months. At the end of the panel's term, the Union and the Company may agree to continue the panel or any of its members for an additional term. If no agreement is reached between the parties to continue the panel or any of its members, the parties shall select a new panel using the procedure set forth in Paragraph 13 of this Section. If the parties agree to continue the terms of fewer than all members of the panel, replacement arbitrators shall be chosen to complete the panel using the procedure set forth in Paragraph 14 of this Section.
  13. The arbitration panel shall be selected as follows: The Union and the Company will exchange simultaneously a list of five arbitrators. Any arbitrator whose name appears on both the Union's and the Company's lists will be added automatically to the panel. To complete the panel, the parties will request jointly from the Federal Mediation and Conciliation Service ("FMCS") a list of 30 arbitrators who have business addresses in West Virginia, Pennsylvania, Ohio, Maryland, or the District of Columbia. Arbitrators on the list must be attorneys, must be members of the National Academy of Arbitrators, and must be arbitrators for the American Arbitration Association. The Union and the Company each shall pay an equal share of the charges by the FMCS for supplying the list of arbitrators. The Union and the Company shall then alternately strike one name from the list until only enough names remain on the list to fill the panel of six (6) arbitrators. Those arbitrators remaining on the list shall complete the arbitration panel. Once the panel of arbitrators is selected, arbitrations shall be scheduled by direct arrangement with the arbitrators.
  14. If any arbitrator selected by the parties is unable or unwilling to serve on the panel or becomes unable or unwilling to serve on the panel during the term of the panel, or if the parties agree that any arbitrator should be removed from the panel during the term of the panel, the parties may agree to allow the remaining arbitrators on the panel to hear all grievances during the remainder of the term of the panel. Absent such an agreement by the parties, any necessary replacement arbitrator(s) shall be selected by requesting jointly from the FMCS a list of 15 arbitrators who meet the criteria for service on the panel as listed in Paragraph 13 of this Section. The Union and the Company each shall pay an equal share of the charges by the FMCS for supplying the list of arbitrators. The Union and the Company shall then alternately strike one name from the list until only the required number of names remains. The arbitrator(s) remaining on the list shall be the replacement arbitrator(s), and shall serve until the panel's term ends.
  15. One (1) arbitrator from the panel shall resolve each grievance submitted to arbitration. Arbitrators from the panel will be selected to hear grievances in the following manner: Arbitrators will be placed on a rotation list in alphabetical order using the arbitrator's last name. As grievances are referred to arbitration, they shall be assigned to arbitrators in order of the rotation list. The parties shall send a mutually agreed form letter to the arbitrator requesting ten (10) dates that fall within a two (2) consecutive month period for the arbitration. If the next arbitrator in the rotation is unavailable to arbitrate a case in a manner the parties consider timely, the Company and the Union may agree to skip the arbitrator and have the case arbitrated by the next arbitrator in the rotation. The Company and the Union must respond to the arbitrator within ten (10) business days concerning their availability on the arbitrator's available dates.
  16. If two or more grievances are referred to arbitration at the same time, the grievances shall be assigned to arbitrators in order of rotation chronologically based on the date the grievance was filed, beginning with the grievance filed first and ending with the grievance filed last. If

two or more grievances referred to arbitration at the same time were filed on the same day, the grievances shall be assigned to arbitrators in order of rotation by the drawing of cards containing the grievance numbers.

17. The Company and the Union shall share equally the costs of the arbitrator.
18. The fact that a matter has been processed as a grievance shall not prevent either party from questioning whether it is a proper subject of a grievance or arbitration.
19. The award of the arbitrator shall be final and binding upon both parties. The arbitrator shall have no authority to add to, subtract from, or modify the Agreement.
20. The day following the day a written answer is received shall be counted as the first day in establishing time limits under this section.
21. Either party may, at its own expense, have a court reporter in attendance at any grievance hearing. In such a case, the other party will be supplied, at no cost, a copy of the transcript.

### **SECTION VIII - STRIKES AND LOCKOUTS**

1. During the term of this Agreement, there shall be no instigation or encouragement of, or participation in any strike, slowdown or work stoppage.
2. During the term of this Agreement, there shall be no lockout of employees.
3. During the term of this Agreement, no Local 69 Hope Gas Bargaining unit employee shall be required to perform duties of any other Local 69 Bargaining unit employee.
4. During a work stoppage involving any other Local 69 Bargaining units, Hope Gas shall contact Local 69 President or his/her designee daily to discuss entry into shared facilities.

### **SECTION IX - DISCRIMINATION**

There shall be no discrimination, interference, restraint, coercion or intimidation of any employee by the Company or by the Union because of membership or non-membership in any lawful social, fraternal or religious organization, or by reason of membership or non-membership in a labor union. Also, the Company and the Union agree that there shall be no discrimination against any employee by either party under definitions or regulations established by any State or Federal employment laws. Both parties shall have available to them all defenses under State or Federal law for any claim made under this Section. This provision is not intended to alter any defenses under State or Federal law which would otherwise be available to the parties.

### **SECTION X – WAGES**

1. Pay rates shall be paid as negotiated and shall be in effect as described herein for the term of this Agreement.
2. The pay rate for any job classification created after ratification of this Agreement will be negotiated by the Union and the Company. If the parties are unable to agree on the rate for the job, any such issue will be subject to the Grievance and Settlement Section of this Agreement.
3. Paydays for union eligible employees will be every other Friday. If the payday falls on a recognized holiday, then employees will be paid on the last preceding workday.
4. The Company will determine what time and attendance data employees will be required to report and what method(s) for submitting the data will be used.
5. The Company will pay twenty-five dollars (\$25.00) to the employee as well as penalties assessed by a creditor against the employee which have resulted from paychecks mailed late

or direct deposits which are deposited late if the late paychecks or late deposits are proven to be the fault of the Company and within the Company's control. The employee has an affirmative obligation to limit penalties.

6. To eliminate the early cashing of checks by employees, the following guidelines will be adhered to:
  - (a) Employees cashing their checks before the check date will be notified by the Company in writing.
  - (b) Employees who disregard the written notice in subparagraph (a) above will thereafter receive their pay through direct deposit only.
7. The Company will furnish to the Secretary of the Union a schedule of physical/clerical paydays for the life of this Agreement.

## **SECTION XI - PREMIUMS**

### **Article 1 - Shift Premium\***

A shift premium of eighty (\$.80) cents per hour will be paid to those physical employees who normally work a non-daylight shift. A daylight shift for the purpose of this Article, is an employee whose work schedule begins between 5:00 AM and 8:00 AM.

### **Article 2 - Sunday Premium\***

1. The Company agrees to pay a Sunday premium at the rate of one dollar and fifty cents (\$1.50) per hour to physical employees whose regular schedule requires them to work on a Sunday, except that the Sunday premium shall not be paid for work performed on a Sunday for which the employee receives overtime pay, call out pay, or any other pay amounting to a rate of time and one-half or more. Employees assigned to scheduled hours of work, the majority of which occur on Sunday, will be paid one dollar and fifty cents (\$1.50) per hour Sunday premium.
2. The Sunday premium shall be applicable only to time actually worked.
3. Sunday, holiday, and shift change premiums shall not be accumulated, but the Company agrees to pay the highest premium earned.

### **Article 3 - Holiday Premium\***

1. The Company agrees to pay a holiday premium at the rate of eight dollars (\$8.00) per hour to physical employees whose regular schedule requires them to work on a holiday, except that the holiday premium shall not be paid for work performed on a holiday for which the employee receives overtime pay, call out pay, or any other pay amounting to a rate of time and one-half or more. Employees assigned to scheduled hours of work, the majority of which occur on a recognized holiday, will be paid eight dollars (\$8.00) per hour holiday premium.
2. The holiday premium shall be applicable only to time actually worked.
3. Sunday, holiday, and shift change premiums shall not be accumulated but the Company agrees to pay the highest premium earned.

\*Hope Service Dispatcher employees (Clerical) will continue to be eligible for shift, Holiday and Sunday premiums as outlined in the wage agreement.

### **Article 4 - Shift Change Premium**

1. No shift change premium will be paid if an employee agrees to a schedule change to accommodate the request of another union eligible employee. In case of an accommodation for a death in the family as defined in Section XII, Article No. 8, a shift change premium will be paid.
2. In cases where Management initiates a schedule change other than the type of accommodations discussed in Paragraph 1:

- (a) Union eligible employees shall be paid time and one-half when their regular scheduled shift is changed after the start of their workweek. The employee's workweek, for the computation of the shift change premium, shall begin at the employee's quitting time on the last day of work of the employee's previous workweek, and shall consist of the days of rest plus the following continuous days of work. In the case of a relief person who works regularly on a split rest day schedule, the employee's workweek begins at the end of his or her day of work before his or her first rest day. Therefore, when there are less than five (5) days of work before the second rest day of the calendar week, the employee's workweek shall consist of the calendar days to and including the second rest day of the calendar week plus the following continuous days of work. This premium shall be paid only for the first eight (8) hours worked on the new schedule.
- (b) If a union eligible employee is scheduled to work his or her Sunday rest day, and then returned to his or her normal schedule for the remainder of his or her workweek, he or she will be allowed to work his or her regular workweek in addition to the overtime day on Sunday. However, if an employee is scheduled to work two or more days, which begin with the Sunday rest day, he or she will be considered to be on a new schedule and eligible to work only five days in the new workweek. Schedule change premium will not apply in either case if the employee's schedule is changed prior to the beginning of his or her workweek.
- (c) Following a change in an employee's normal schedule, he or she may be returned to his or her original (normal) schedule within five (5) consecutive working days without payment of shift change premium.
- (d) The Union will attempt to schedule Union Business and to identify participants in grievances with sufficient notice to avoid shift change premiums when possible.

#### **Article 5 - Temporary Assignment Premiums**

1. When a clerical employee is assigned the duties of a physical employee, or a physical employee is assigned the duties of a clerical employee, they will receive the higher pay rate between the two positions, or 5% above his or her base rate whichever is greater.

## **SECTION XII – WORKING CONDITIONS**

#### **Article 1 - Hours of Work and Overtime**

1. The Company workweek for computation of pay shall consist of seven (7) days commencing each week at 11:31 P.M., Saturday and ending at 11:30 P.M. the following Saturday.
2. The working hours for bargaining unit employees will be as follows, unless employees are otherwise assigned:
  - (a) The working hours for physical employees will be from 7:30 A.M. to 4:00 P.M. for regular day schedules. The working hours for shift employees will be 7:30 A.M. to 3:30 P.M. for the Number 1 Shift; 3:30 P.M. to 11:30 P.M. for the Number 2 Shift; and 11:30 P.M. to 7:30 A.M. for the Number 3 Shift. Starting and quitting times will be the time that is officially in use in the Company's operating area (Eastern Standard or Daylight Saving). An employee who is working when the time is officially changed shall not receive less than eight (8) hours when the changing of time results in less than eight (8) hours work. Also, he or she shall be paid for the time worked when the changing of time results in more than eight (8) hours worked.
  - (b) The working hours for clerical employees will be from 8:00 A.M. to 5:00 P.M. for regular day schedules. Hope Clerical Service Dispatchers subject to working shift as outlined in (a).

3. Forty hours consisting of five (5) eight-hour days or four ten-hour days shall constitute a normal full-time workweek. An employee will not be assigned to a normal workweek of four ten-hour days without his/her consent.
4. Bargaining unit employees are to be paid at the rate of time and one-half for all time worked in excess of forty hours per week or eight (8) hours in any twenty-four-hour period, except on shift changes where the scheduled rotations require two shifts to be worked in one twenty-four-hour period when assigned to a schedule of eight-hour days. Bargaining unit employees are to be paid at the rate of time and one-half for all time worked in excess of forty hours per week or ten hours per day when assigned to a schedule of four ten-hour days per week.
5. Employees shall be paid at the rate of triple time for all time worked over sixteen consecutive hours. However, if an employee has worked prior to a regularly scheduled workday so that during the regular workday the employee completes 16 consecutive hours of work, then if the employee is released (s)he will be paid straight time for the remainder of his/her regular workday.
6. The Company will not normally require employees to split their rest days on a regularly scheduled basis with the exception of employees assigned to shift work. Employees other than shift employees shall not be required to split their rest days once their weekly work schedule (which includes the rest days) has begun.
7. Employees shall not be required to take equivalent time off without pay for the time worked after regular working hours, for the time worked on a scheduled rest day(s) or for the time worked in emergencies in order to balance weekly working schedules.
8. The employee's rest day shall not be changed after the employee has started working within his or her workweek to avoid the payment of overtime.
9. Employees called out for emergency overtime shall receive a minimum of three (3) hours' pay at the rate of time and one-half provided that the emergency work does not immediately precede the employee's regularly scheduled hours of work. Employees called out more than once within a three-hour period shall be paid only for the time actually worked after the initial call out. The rate of pay for time worked during additional call outs within the first three-hour period shall be time and one-half. Upon the expiration of the three-hour period, if called out again, an employee shall be entitled to another three (3) hours' pay at time and one-half regardless of the amount of time worked during that period. Employees called out on Sunday shall receive a premium of three (3) hours' pay at the rate of time and one-half. In addition, they shall be paid time and one-half for the time worked within the three (3) hours. The rate of pay for an employee called out again during the first three-hour period shall also be time and one-half. Upon the expiration of the three-hour period, if called out again, an employee shall be entitled to the three-hour premium, as well as time and one-half for the period worked, in the same manner as was paid for the first call out.

If an employee is required to report from off the job for unscheduled overtime, he or she shall receive a minimum of three (3) hours' pay at the rate of time and one-half provided that the work does not immediately precede the employee's regularly scheduled hours of employment. Call out time shall be paid at the rate of time and one-half and shall run from the time of leaving the employee's residence until his or her return. Authorized mileage will be paid in accordance with Section XII, Article No. 6, Paragraph C, from the employee's residence to

- the job site(s) and back to the employee's residence.
13. When overtime work is necessary it shall be distributed at the Company's discretion. Local Management will make every effort to divide overtime evenly among the employees who normally perform the work. Employees will be counseled that they may be ineligible for call-out and unscheduled overtime based on where they reside. In an attempt to divide overtime evenly, Management will keep a cumulative total of overtime for each calendar year which shall be posted at the end of each calendar month. If an employee is offered overtime work and is excused at his/her own request, an adjustment of three (3) hours will be made to his/her cumulative total. The cumulative total for the preceding month shall be used as a guide by Management in distributing overtime. No time will be charged to an employee's cumulative total if he/she refused scheduled/unscheduled overtime while off work for sickness, death in the family, or vacation. This is not to be interpreted as allowing an employee to refuse call out. The credited overtime mentioned above will be listed separately on the cumulative total of overtime posted.
  14. Work schedules for shift employees shall be posted on the bulletin boards at the work location prior to the beginning of the employee's workweek. The employee shall be notified when his or her work schedule is changed, and all such schedule changes shall be immediately posted on the bulletin board with the employee initialing the change.   17. Employees who are assigned to a temporary location which would normally require them to be away from home overnight may request permission to drive to and from home to the temporary location each day. Management will consider their request, weighing the distance to be traveled, the seriousness of the employee's personal situation, and any other pertinent information. Such travel if authorized will be on the employee's own time.
  18. Employees required to work scheduled or unscheduled overtime for the purpose of attending meetings, training, or medical tests on a rest day will receive a minimum of three (3) hours overtime pay.
  19. Once an employee is assigned to non-bargaining unit work, he/she will not be assigned bargaining unit work for the remainder of the calendar day or if an employee has worked 40 hours of non-bargaining unit work, he/she will not perform bargaining unit work within the workweek.

Such an election will not occur until 12 months after the twelve-hour schedule has been implemented and future elections will not occur more frequently than every 12 months thereafter.

The Union President and Vice-President shall be paid by the Company at their regular straight time base rate, not to exceed eight (8) hours per day, or 40 hours per week. While performing their Union responsibilities, the Union President and Vice-President shall be treated in all respects as employees of the Company and shall be entitled to receive all the same benefits and privileges of their regular job. The Union President and Vice-President will be required to report their time in the Company's time entry system, but shall not be required to furnish detailed documentation of their daily Union or Union/Management activities, except as necessary to document time off for vacation, sickness, absences due to civic service, or as necessary to comply with Section 302 of the National Labor Relations Act.
14. This Article is intended to supersede all past practices, understandings, and oral agreements relating to time off for Union Business and Union/Management Business, and it represents the complete and full agreement of the parties with respect to time off for Union Business and Union/Management Business.

#### **Article 10 - Safe Working Conditions**

1. The Company will make regulations and provisions to provide for the safety and health of its employees during their working hours. Each employee will be responsible for adhering to such regulations and provisions. The Company and the Union will cooperate in seeing that employees comply with such regulations and provisions. Employees in all work locations are encouraged to present questions with regard to safety, safety equipment, the elimination of job hazards, etc., to their supervisors. The Safety Meetings held regularly for employees in all major work locations, provide an opportunity to raise such questions. Each location may present questions or concerns through the Company leadership or their local safety committee. Additionally, annually a safety consultation will be held between representatives of Management and the Representative Council of the Union. Representatives from the Safety Section will also be present at this meeting. The purpose of this meeting is to provide an opportunity for employees and Management to discuss matters of safety and accident prevention in order to reduce both the number and the severity of industrial and automotive accidents.
2. All contracts for construction work to be performed by persons outside the physical and clerical units will specify that the contractor will comply with all relevant Federal and State safety regulations.
3. Regular Union employees are eligible to participate in the Company's *Safety Pays Program* according to its terms and conditions then in effect. Changes or revisions to the *Safety Pays Program* must be mutually agreed upon by the Union and Company. See Appendix No. 31.

### **SECTION XIII - ASSIGNMENT OF WORK**

The Company and the Union agree in principle that bargaining unit work will be performed only by bargaining unit employees. However, it is also recognized and agreed by the parties that there is a significant difference in the way non-bargaining unit Company employees assist in the

accomplishment of bargaining unit work. Therefore:

- (a) With regard to the duties assigned to physical unit employees, non-union eligible employees will not perform such duties except in the case of an emergency. Under no circumstances will the provisions of this clause preclude a salaried employee's right to assign work or carry out any of his or her assigned duties or responsibilities, provided these duties are not the same as the duties of any physical employee.
- (b) With regard to the duties assigned to clerical unit employees, non-union eligible employees, including Supervisors, will not perform such duties except to meet temporary workload requirements. It is not Management's intent that this necessary practice results in the layoff of clerical workers. Under no circumstances will the provisions of this Section alter a non-union eligible employee's right to assign work or to carry out any of his or her assigned duties or responsibilities.

## **SECTION XIV - CONTRACTING OF WORK**

The Union recognizes that the Company has the right to contract for work to be performed by persons not in the physical and clerical Bargaining Units. However, the Company will not contract work which directly results in any regular employee being laid-off, demoted, or forced to work less than a normal work week without that employee having been offered a regular job in accordance with Section XV, Article No. 3, Reduction in the Work Force.

## **SECTION XV – CHANGES IN THE WORK FORCE**

### **Article 1 - Employee Selection**

1. The matter of promotions, demotions, transfers, and layoffs is recognized as a function of Management except as provided hereafter. It is necessary to fill job vacancies with employees who are qualified for promotion.
2. Seniority shall be the basis of selecting employees if the employees are available who are properly qualified for promotion. Unless specified otherwise in this Agreement, employees with satisfactory past performance who have demonstrated their ability and fitness to satisfactorily perform the duties of the job to be filled by passing one or more tests, or who, in the absence of a test, demonstrate their ability and fitness by meeting the criteria identified in Paragraphs 1, 2, or 3 of Appendix No. 9 will be considered qualified for selection.<sup>(1)</sup> Management will prepare tests for jobs and the Union will be given the opportunity to review testing material. Testing may include hands on demonstration of skills and knowledge, oral explanations of job duties, and/or written tests.
3. When an opening exists the Company will notify the Union Officers and Directors via e-mail or U. S. Mail and post the job Company-wide within 30 calendar days. Eligible employees may bid by submitting within 15 calendar days of posting their written application on the agreed upon form to the appropriate Company designated representative identified on the job posting. The deadline for an employee to withdraw their bid must be by the close of the 15-calendar day posting period. Within seven (7) calendar days following the close of the bidding period or upon completion of the Selection Testing, Management will evaluate bids. For Physical jobs posted, the bidding priority will be as follows: 1) First priority will be given to senior qualified and eligible physical employees from within the Bidding Department. If a selection is not made from within the Bidding Department, 2) second priority will be given to senior qualified and eligible physical employees from within the Company. If a selection is not made from within the physical employees Company wide, 3) third priority will be given

to senior qualified and eligible clerical employees Company wide. For Clerical jobs posted, the bidding priority will be as follows: 1) First Priority will be given to senior qualified and eligible clerical employees from within the Bidding Department. If a selection is not made from within the Bidding Department, 2) second priority will be given to senior qualified and eligible clerical employees from within the Company. If a selection is not made from within the clerical employees Company wide, 3) third priority will be given to senior qualified and eligible physical employees Company wide. The two Senior bidders will be provided with initial testing and evaluation for the position. If both bidders are not successful in testing, the following two bidders in seniority will be provided testing. This process will continue until all bidders have been tested. Whoever is the senior qualified is awarded the position.

4. If a selection is not made Company-wide, the two successful Senior bidders will be given 15 calendar days to qualify for the opening (unless specified differently within this Agreement). If at the end of 15 calendar days, the employee is qualified, the senior qualified will be selected.
5. All newly hired employees in a Grade 2 or higher position will remain in their positions for a period of 6 months before they are allowed to bid to another position.
6. Employees may bid on any job for which they are qualified at any pay code (up, down, or lateral). Employees may not bid on jobs in their own pay code within their Bidding Department. An employee may not bid on the job they immediately vacated in the same Bidding Department. In order to be eligible for selection, employees on inactive rolls due to long-term illness, leave of absence, or disciplinary suspension must be available to perform the job by the expiration of the ten (10) day grievance period.

**FOOTNOTE:**

<sup>(1)</sup> See Appendix No. 9 - Employee Selection Physical.

**Article 2 - Involuntary Transfers**

1. A transfer of all the employees in a particular job classification from one payroll location to another will not necessitate following the provisions of Paragraph 2 of this Article unless the new reporting location is more than 25 miles from the old reporting location. A change in a Cost Center number for accounting purposes does not constitute a change in an employee's payroll/reporting location. The Company will agree to pay for a meeting between employee(s) and the Union including mutually agreed to travel time for the purpose of discussing employee options under this Article. Management will be present at all involuntary transfer meetings.
2. When Management has determined that one or more employees in a particular job classification and the work they perform will be permanently transferred from one payroll location to another, the senior employee in the job classification will be given an opportunity to volunteer to be transferred. If there are no volunteers or not enough volunteers, the junior employee will be selected. If no employee desires to transfer to the new location, then the reduction will be handled in accordance with Section XV, Changes in the Work Force, Article No. 3, Reduction in the Work Force.
3. When the work and employees from more than one payroll location are being merged or combined, the employees (within the particular classification) from all impacted operating locations will be pooled for the purpose of administering Paragraph 2 of this Article.
4. When an employee accepts a transfer in accordance with the provisions of Article No. 2 or Article No. 3 of this Section, the employee will not only have bidding rights in the bidding unit to which (s)he is transferred but also will retain bidding rights at his/her original Bidding Unit for the length of this Agreement unless the employee bids out of the Bidding Unit to which the employee was transferred.

5. The provisions of this Article in no way limit Management's right to make temporary assignments as provided for in Article No. 4 of this Section, or to reassign clerical employees.

### **Article 3 – Reduction in the Work Force**

1. Management has the right and responsibility to reduce payroll costs by eliminating jobs that are no longer necessary. When Management plans to eliminate a job after a vacancy has occurred, they will notify the Union within 30 days or the job will be posted in accordance with Section XV, Article No. 1, Employee Selection.
2. When the Company has determined that a certain number of jobs will be eliminated in a specific job classification and at a specific payroll location, the senior employee(s) in that job classification at that location will be given an opportunity to volunteer to be declared surplus. If there are not enough volunteers, the junior employee(s) in the designated location and job classification will be declared surplus.
3. When the work of employees from more than one payroll location is being merged, the employees (within the particular classification) from all impacted payroll locations will be pooled for the purpose of administering Paragraph 2 of this Article.
4. Employees declared surplus under the provisions of Paragraphs 2 and 3 of this Article will have the option to bump union employees as outlined under the provisions of Section XIX, Modified Bumping.
5. Surplus employees will be offered a transfer to other regular jobs for which they are qualified if such positions are available. If more than one employee is surplus, senior qualified employees will be given first choice. If they accept such job offers, the employees will be grandfathered in rate. That is, his/her rate of pay will not be reduced unless the employee bids down or is demoted for disciplinary reasons. The employee will be eligible to receive negotiated increases in pay. Employees considering transfers to jobs which require moving their household under this paragraph, shall be given up to two (2) paid days, if necessary to visit the new location before accepting or rejecting the transfer offer.
6. In assessing a surplus employee's qualifications for selecting a job:
  - (a) Except as provided for in (b)-(d) below to accept a job an employee must be qualified to be selected under the provisions of Section XV, Article No. 1, Appendix No. 5, Appendix No. 6, Appendix No. 9.
  - (b) Any physical employee will be considered qualified to accept any physical job vacancy Grade 3 or lower (including all levels in the Pipeline Field Specialist and Compressor Station Operator Rate Schedule) except for progression jobs.
  - (c) Any clerical employee will be considered qualified to accept any clerical job vacancy Grade 5 or lower. Employees must also have passed the Clerical Aptitude Test and applicable skills tests.
  - (d) Any employee will be considered qualified to accept any job which (s)he previously held.
7. If a surplus employee has to leave his or her location due to a reduction in the work force and his or her previous job becomes reinstated within 12 months, that employee has first rights to the job. In addition, that employee will be eligible for moving expenses as outlined in Section XII, Article No. 6, Expenses, D. Moving Expenses, of the current labor Agreement.
8. If surplus employees refuse to accept such offers or if regular jobs for which they are qualified are not available, they will be terminated and will be given call back rights within their former bidding Department/Division and severance pay. Severance pay will be equal to two (2) weeks at their current rate of pay for each year of credited service up to a maximum of 26 weeks of pay, and three (3) months of COBRA medical coverage at their current level. Any terminated surplus employee will be eligible for a minimum of 12 weeks severance pay. Call back rights for regular jobs will be in effect for the term of this Agreement.

9. No job will be offered to terminated former employees eligible for call-back until the job has been offered to current employees or surplus employees (if any) under the provisions of:
  - (a) Section XV Changes in the Work Force, Article No. 1 Employee Selection
  - (b) Section XV Changes in the Work Force, Article No. 3 Reduction in the Work Force, Paragraph 5
10. When a position is available to be offered to former regular employees who were terminated in accordance with Paragraph 8 of this Article, they will be notified by mail at the address they last supplied to Human Resources with a copy to the Secretary of the Union. They will have seven days to respond in writing to the designated Company official. Jobs will be awarded to the qualified senior employees. The criteria specified in Article No. 1, Paragraph 2 of this Section will be used in assessing employees' qualifications.
11. For the provisions of this Article, Hope Gas, Inc's General Office is considered to be a single location. Similarly General Office employees at Hope Gas, Inc. will be grouped together, not separated by payroll locations, for the provisions of this Article.

#### **Article 4 - Moving Expenses for Surplused Employees**

1. Regular employees who are transferred permanently to a new headquarters as a result of the provisions of Section XV, Article No. 2, Involuntary Transfers and Article No. 3, Reduction in the Work Force resulting in an increased commuting distance of more than 25 miles (one way) will have their moving-related expenses paid as outlined below, except employees moving under the provisions of Section XIX, Modified Bumping. Employees moving because of bumping another employee will only be eligible for a fifteen-hundred-dollar (\$1,500) lump sum to cover movement of household goods and enroute expenses.
  - (a) A one-time lump sum of two hundred fifty dollars (\$250) for house hunting expenses.
  - (b) Temporary living expenses - five thousand dollars (\$5,000) will be paid to employees to cover all temporary living expenses and incidental moving expenses not outlined below.
  - (c) Movement of household goods where an employee may elect to use a Company-paid moving service or receive reimbursement for expenses incurred while moving himself or herself.
  - (d) Enroute expenses incurred during the final trip to the new residence.
  - (e) A lump sum payment of two thousand dollars (\$2,000) to move a current residential mobile home.
2. Once the employee has started reporting to his/her new location, he/she will receive five hundred dollars (\$500) per month, up to 12 months, provided he/she continues to report to that new location.
3. If the employee remains on the job through the end of the calendar year and has incurred moving expenses during that year, the Company will pay a fifty percent (50%) gross-up of the employee's taxable moving expenses paid under Paragraph 1 of this Article.
4. An employee transferred permanently and living away from home will be allowed one (1) round trip every two (2) weeks on Company time for the first 45 calendar days after the effective date of the transfer. Mileage will be paid only for travel to and from home for the round trip. None will be paid for commuting at the new location.
5. No expenses will be paid under this Article for any employee living at home, except that an employee commuting to a new work location resulting in an increased commuting distance of more than 25 miles (one way) may receive mileage for the first 45 calendar days in lieu of the five thousand dollars (\$5,000) paid to cover the temporary living expenses.

#### **Article 5 - Temporary Assignment**

1. Temporary assignments do not fall within the notification and posting provisions of the

Employee Selection Article of this Agreement. Employees may request to be excused from temporary assignments for personal reasons. Management will evaluate such requests. This is not to be interpreted as allowing employees to refuse temporary assignments, particularly those which may involve undesirable working conditions. Also, when a temporary assignment outside an employee's payroll location requires staying away from home overnight, a senior employee may request to be excused from the assignment. Management will accommodate the request, provided there is a qualified junior employee in the payroll location available for assignment.

Regular employees assigned to a temporary work location and living away from home will be allowed one round trip per week on Company time except where the assignment is for training purposes in which case the employee will be allowed one round trip home on Company time every two (2) weeks. If a serious personal emergency arises and an employee desires to return home during a training period, Management will normally permit such a trip if justified by the severity of the employee's situation.

### **Article 6 - Temporaries**

Prior to hiring a temporary employee to perform Union eligible work, the Company will notify the Union of the work to be performed and the anticipated duration of the assignment.

### **Article 7 - Upgrade**

1. Regular employees temporarily assigned to a job in a higher pay grade outside of their classification shall receive the higher rate up to the start rate for each hour worked. Senior, qualified, and available employees in the payroll location will be given first consideration in making such assignments. When an employee is assigned to work in a higher pay grade and works the majority of their scheduled hours at the higher pay grade, they will receive upgrade for the entire day.
2. The General Laborer and General Clerk classifications are not eligible for upgrade, except when the employee is deemed fully qualified by the company and is performing work in higher classifications, they will receive upgrade pay for that task/job.
3. If one or more employee(s) is upgraded to a specific job in a specific payroll location for over 1040 hours in a calendar year, the hours that could have been worked by one employee, excluding any overtime, will be added. If the resulting total is over 1040 and if Management determines that the work is permanent and recurring, a new job exists and will be filled in accordance with the provisions of this Section.
4. When Management determines that a reserve is needed for a physical progression position, a training opportunity will be posted and the senior employee from the payroll location who expresses interest will normally be given an opportunity to attend orientation and testing.

However, in some instances Management may determine it is more efficient to select a reserve from a group of payroll locations or from the entire Bidding Unit.

### **Article 8 - New Regular Employees**

Newly hired regular employees will be on probation for the first six (6) months following

employment during which time they may be terminated by the Company with limited recourse to the grievance procedure of the Agreement. The Union's only recourse to the Grievance and Settlement section of the Collective Bargaining Agreement shall be to contest whether the employee violated the work rule or policy or condition of this Agreement that resulted in their discharge.

## **SECTION XVI - BENEFITS**

The Hope Gas Union Savings Plan, the Hope Gas Union Pension Plan, Disability Benefit Plan of Hope Gas, the Hope Gas Union Flexible Benefits Plan, (includes the Medical Plan, Dental Plan, Vision Plan, Employee Life Insurance, Dependent Life Insurance, Accidental Death and Dismemberment, Business Travel Accident, Long Term Disability, and Flexible Spending Accounts), the Education Assistance Program, and Adoption Assistance shall be governed solely by the provisions of such plans. No changes affecting benefits or increasing employee contributions as provided on the date of this Agreement may be made in such plans unless by agreement between the Union and the Company. The Company reserves the right to replace the carrier or service provider with another carrier or service provider upon 60 days prior notice to the Utility Workers Union of America, Local No. 69, AFL-CIO, in conjunction with any of the above-named Benefit Plans.

## **SECTION XVII - EFFECT OF INVALIDITY**

Any provision of this Agreement which shall be in violation of applicable public laws or regulations shall be deemed void, but shall have no effect on the remaining portions of this Agreement, which shall remain in full force and effect.

## **SECTION XVIII - TERMINATION**

This Agreement shall be in effect until 11:59 A.M., May 31, 2026 and for renewal periods of one year thereafter, unless canceled by either party by giving notice in writing at least 60 days prior to May 31, 2026, or 60 days prior to the expiration of any subsequent one-year period. This Agreement may be amended or canceled at any time by mutual written agreement.

## **SECTION XIX - MODIFIED BUMPING<sup>(1)</sup>**

1. When the Company has determined that a certain number of jobs will be eliminated in a specific job classification and at a specific payroll location, employees will be declared surplus in accordance with Section XV, Article 3, Paragraph 2.
2. A surplus employee will have his/her future employment status handled in accordance with Paragraphs 3 through 13 of Section XV, Article No. 3, unless he/she is eligible and elects the Modified Bumping provisions of Paragraph 3 below. To be eligible to elect Modified Bumping, he/she must have been involuntarily declared surplus.
3. An employee involuntarily declared surplus may elect to participate in the following Modified Bumping procedure:
  - (a) A list of surplus employees from the specific payroll location who elect to bump will be prepared.
  - (b) A list of least senior employees from the same payroll location will be prepared. This list will contain the same number of names as the list prepared in Paragraph (a) above. In

preparing this list, beginning with the least senior employee from the work location, a name will be excluded from this list for any of the following reasons:\*

- (i) The employee holds a job that none of the surplus employees [Paragraph (a) above] is eligible to select (Paragraph (e) below.)
  - (ii) The employee is senior to the surplus employee(s) [Paragraph (a) above] who are eligible to select [Paragraph (e) below] this employee's job.
  - (iii) The employee is the second, third, fourth, etc., employee in a non-entry job classification and there are not enough surplus employees [Paragraph (a) above] eligible or senior enough to select [Paragraph (e) below] any more jobs in this employee's job classification than those held by employees already listed.
- (c) The lists from Paragraph (a) and Paragraph (b) will be combined. If an employee's name is on both lists, his/her name will appear only once on the combined list.
- (d) A list of the jobs held by the least senior employees [Paragraph (b) above] will be prepared. If any of these least senior employees is a surplus employee [Paragraph (a) above], then he/she does not hold a job to be placed on this list.\*
- (e) Based on seniority and qualifications (with senior employees selecting first) the employees from the combined list [Paragraph (c) above] will be allowed to select jobs from the list prepared in Paragraph (d) above. All employees will be eligible to select entry level jobs. [See Section XV, Article 3, Paragraph 6 (b) and (c) for definition of entry level jobs.] To be eligible to select a position other than an entry level job, an employee must have previously held that job classification and must currently be qualified for it. Employees will be given credit for any time previously worked in a job classification.
- (f) Employees who select jobs in the selection process described in Paragraph (e) will immediately have their pay adjusted to the rate of the job they selected and will have bidding rights based on the selected job. However, in no event will an employee have his/her rate of pay reduced by more than eight percent (8%) in any one bump. (Employees will NOT be red circled.)
- (g) Employees who did not choose to select a job in the selection described in Paragraph (e) will have their future employment status handled in accordance with Paragraphs 3 through 13 of Section XV, Article 3, of this Agreement.
- (h) If an employee was bumped, did not get an opportunity to select a job, and is senior to employees who were excluded from the list in Paragraph (b) above (s)he may elect to initiate another bump as described above. If a senior employee who was bumped does initiate such a secondary bump, only the senior employee(s) who was bumped and the junior employee(s) who was excluded from the list in Paragraph (b) above will be involved.
- (i) If an employee who was bumped, did not get an opportunity to select a job, and is senior to employees who were excluded from the list in Paragraph (b) does not elect to initiate a secondary bump as provided for in Paragraph (h) then his/her future employment status will be handled in accordance with Paragraphs 3 through 13 of Section XV, Article 3, of this Agreement.

\*NOTE: If there are available vacant positions at the payroll location in question, each available vacant position will be placed on the list referred to in Paragraph (d). Also, for each such available vacant position, the number of least senior employees on the list referred to in Paragraph (b) will be reduced by one (1).

4. Employees who did not get an opportunity to select a job in the bumping described in Paragraph 3 above and who did not waive their right to initiate a secondary bump in Paragraph 3(h) may elect to initiate a bidding unit wide bump as follows:
  - (a) A list of surplus employees from the specific bidding unit who elect to bump will be prepared.
  - (b) A list of least senior employees from the same bidding unit will be prepared. This list will contain the same number of names as the list prepared in Paragraph (a) above. In preparing this list, beginning with the least senior employee from the bidding unit, a name will be excluded from this list for any of the following reasons: \*
    - (i) The employee holds a job that none of the surplus employees [Paragraph (a) above] is eligible to select [Paragraph (e) below.]
    - (ii) The employee is senior to the surplus employee(s) [Paragraph (a) above] who are eligible to select [Paragraph (e) below] this employee's job.
    - (iii) The employee is the second, third, fourth, etc., employee in a non-entry job classification and there are not enough surplus employees [Paragraph (a) above] eligible or senior enough to select [Paragraph (e) below] any more jobs in this employee's job classification than those held by employees already listed.
  - (c) The lists from Paragraph (a) and Paragraph (b) will be combined. If an employee's name is on both lists, his/her name will appear only once on the combined list.
  - (d) A list of the jobs held by the least senior employees [Paragraph (b) above] will be prepared. If any of these least senior employees is a surplus employee [Paragraph (a) above], then he/she does not hold a job to be placed on this list.\*
  - (e) Based on seniority and qualifications (with senior employees selecting first) the employees from the combined list [Paragraph (c) above] will be allowed to select jobs from the list prepared in Paragraph (d) above. All employees will be eligible to select entry level jobs. [See Section XV, Article 3, Paragraph 6 (b) and (c) for definition of entry level jobs.] To be eligible to select a position other than an entry level job, an employee must have previously held that job classification and must currently be qualified for it. Employees will be given credit for any time previously worked in a job classification.
  - (f) Employees who select jobs in the selection process described in Paragraph (e) will immediately have their pay adjusted to the rate of the job they selected and will have bidding rights based on the selected job. However, in no event will an employee have his/her rate of pay reduced by more than eight percent (8%) in any one bump. (Employees will NOT be red circled.)
  - (g) Employees who did not choose to select a job or did not get an opportunity to select a job in the selection described in Paragraph (e) will have their future employment status handled in accordance with Paragraphs 3 through 13 of Section XV, Article 3, of the Agreement. However, if an employee was bumped, did not get an opportunity to select a job, and is senior to employees who were excluded from the list in Paragraph (b) above he/she may elect to initiate another bump as described above. If a senior employee who was bumped does initiate such a secondary bump, only the senior employee(s) who was bumped and the junior employee(s) who was excluded from the list in Paragraph (b) above will be involved.
  - (h) If an employee who was bumped, did not get an opportunity to select a job, and is senior to employees who were excluded from the list in Paragraph (b) does not elect to initiate a secondary bump as provided for in Paragraph (g) then his/her future employment status will be handled in accordance with Paragraphs 3 through 13 of

Section XV, Article 3, of this Agreement.

\*NOTE: If there are available vacant positions in the bidding unit in question, each available vacant position will be placed on the list referred to in Paragraph (d). Also, for each such available vacant position, the number of least senior employees on the list referred to in Paragraph (b) will be reduced by one (1).

**FOOTNOTE:**

- (1) General Office employees at Hope Gas, Inc. will be grouped together, not separated by payroll locations, for all bumping provisions. Similarly General Office employees at Hope Gas, Inc., will be grouped together, not separated by payroll locations, for all bumping provisions.

**APPENDIX NO. 3 – HOPE GAS COST CENTERS (PAYROLL LOCATIONS) – MAJOR CITY PLANTS**

1. For the purpose of administering this Agreement physical employees who work out of or report to Goshen Road City Plant will be grouped together, not separated by cost center (payroll location).
2. For the purpose of administering this Agreement physical employees who work out of or report to Clarksburg City Plant will be grouped together, not separated by cost center (payroll location).
3. For the purpose of administering this Agreement physical employees who work out of or report to Parkersburg City Plant will be grouped together, not separated by cost center (payroll location).

The provisions of this Appendix in no way impact employees at Weston City Plant, Gassaway City Plant, Summersville City Plant, Madison City Plant or Bens Run City Plant.

The provisions of this Appendix do not apply to employees assigned to cost center (payroll location) Clarksburg Field Engineering.

#### **APPENDIX NO. 4 - INSPECTION**

If the Company deems it necessary to assign physical employees to inspect contracted work, the following guidelines will be used:

1. Temporary assignment of qualified employees to work as Inspectors on construction projects will normally be using lower rated employees (e.g. Pipeline Field Specialist) rather than to utilize higher rated employees. Management will not, however, be required to replace lower rated employees with higher rated employees in order to make the lower rated employees available.
2. Temporary assignments as inspectors on construction projects will be rotated among qualified and available employees in an effort to distribute overtime. However, since assignments to work as an inspector can vary considerably in duration, there is no obligation to distribute inspection overtime evenly. Assignment will not normally be rotated during a project.
3. Each payroll location will maintain a list of employees qualified for inspection assignments in seniority order. When another employee's name is added to the list, it will be slotted in according to seniority. As inspection assignments become available, they will be offered to the next person on the list. Should an employee decline an opportunity for inspection, the next person on the list is asked and the employee that turned down the assignment will not be offered another opportunity until the inspection list has gone through one complete cycle and all employees on the list have been offered an opportunity to work on an inspection assignment. Rotation through the list is continual, meaning that assignments are not offered to the senior employee on the list at the beginning of each project or year.
4. When a specific project involves more than one payroll location, the lists from the payroll locations involved will be utilized in selecting employees for assignment.
5. Under certain circumstances, an employee with specific skills or knowledge may be required to provide proper inspection for contracted work. In such cases, the employee may also be assigned other inspection duties. These assignments will also be rotated among those employees in the payroll location with the required skills.

**How to Use The Retiree Medical Cost Chart**

To see what percentage of the pre-65 cost you would pay:

- Find your total age + service at retirement in the left column
- Follow across to the column for your age on January 1, 2021
- The percentage in the box should then be multiplied by .75 to arrive at the percentage you would be required to pay.

**Example:** if your age + service at retirement will be 90 and you are age 64 on 1/1/2021, you would pay 18% (24% times .75) of the pre-65 cost. Once you reach 65, your contribution rate (in dollars) would be half of the pre-65 cost for your age and service. If you are required to enroll in a Medicare HMO, your contribution rate will be set by the HMO. Contribution rates are set each year based on medical costs.

**Determination of Cost of Spousal and/or Family Coverage**

For pre-65 retiree and dependents

The contribution required for spousal or family coverage is determined by multiplying the contribution for individual coverage by a factor. The factor is 2.8419 for retiree and spouse coverage, 2.3157 for retiree and child(ren) coverage and 4.0262 for retiree and family coverage.

For Medicare eligible retiree and spouse

The contribution would be half of the of the pre-65 contribution for your age and service.

**Determination of Retiree Cost Every January 1 After Retirement**

Contributions will change each January 1 after the individual's retirement. The amount will be determined as outlined above using the active nonunion employee cost chart for that year. Retirees will receive notice of the contribution increase.

### **How to Use The Retiree Medical Cost Chart**

To see what percentage of the pre-65 cost you would pay:

- Find your total age + service at retirement in the left column
- Follow across to the column for your age on January 1, 2021
- The percentage in the box should then be multiplied by .75 to arrive at the percentage you would be required to pay.

**Example:** if your age + service at retirement will be 90 and you are age 64 on 1/1/2021, you would pay 18% (24% times .75) of the pre-65 cost.

Once you reach 65, your contribution rate (in dollars) would be half of the pre-65 cost for your age and service. If you are required to enroll in a Medicare HMO, your contribution rate will be set by the HMO. Contribution rates are set each year based on medical costs.

### **Determination of Cost of Spousal and/or Family Coverage**

#### For pre-65 retiree and dependents

The contribution required for spousal or family coverage is determined by multiplying the contribution for individual coverage by a factor. The factor is 2.8419 for retiree and spouse coverage, 2.3157 for retiree and child(ren) coverage and 4.0262 for retiree and family coverage.

#### For Medicare eligible retiree and spouse

The contribution would be half of the of the pre-65 contribution for your age and service.

### **Determination of Retiree Cost Every January 1 After Retirement**

Contributions will change each January 1 after the individual's retirement. The amount will be determined as outlined above using the active nonunion employee cost chart for that year. Retirees will receive notice of the contribution increase.

### **How to Use The Retiree Medical Cost Chart**

To see what percentage of the pre-65 cost you would pay:

- Find your total age + service at retirement in the left column
- Follow across to the column for your age on January 1, 2021

The box shows the percentage you would pay.

**Example:** if your age + service at retirement will be 90 and you are age 62 on 1/1/2021, you would pay 30% of the pre-65 cost.

Once you reach 65, your contribution rate (in dollars) would be half of the pre-65 cost for your age and service. If you are required to enroll in a Medicare HMO, your contribution rate will be set by the HMO. Contribution rates are set each year based on medical costs.

### **Determination of Cost of Spousal and/or Family Coverage**

#### For pre-65 retiree and dependents

The contribution required for spousal or family coverage is determined by multiplying the contribution for individual coverage by a factor. The factor is 2.8419 for retiree and spouse coverage, 2.3157 for retiree and child(ren) coverage and 4.0262 for retiree and family coverage.

#### For Medicare eligible retiree and spouse

The contribution would be half of the pre-65 contribution for your age and service.

### **Determination of Retiree Cost Every January 1 After Retirement**

Contributions will change each January 1 after the individual's retirement. The amount will be determined as outlined above using the active nonunion employee cost for that year. Retirees will receive notice of the contribution increase.

\* The award amount will be included in the employee’s taxable income and applicable taxes will be deducted from the employee’s paycheck as Svc Award/Tax Only wage type.

### **Retirement Award Guidelines**

Retirement Awards recognize an employee's years of service.

Employees will be deemed to have "retired" for purposes of receiving a Retirement Award card equivalent to \$50 for each year of service with Hope Gas with an Award card maximum of \$1,000, if the employee was at least age 58 with three years of service when he/she terminates employment.

The Retirement Award cards are able to be used for merchandise and services, and therefore, are taxable to the recipient. Employees should call the customer service number referenced on the Retirement Award card to obtain the balance data of the card. The card cannot be used for cash back or to pay off balances of other accounts. The award will be reflected on the employee's paycheck as imputed income at the time of card issuance. There will be no tax reimbursement for any unused portion of the Retirement Award card.

If an employee is eligible to receive a Service and a Retirement Award within the same month, the Award cards will be issued separately.

### **Additional Information**

If the employee never receives a Service Award or Retirement Award, he/she should contact the Human Resources Department.
